Organization and Mission - Field

1 SPACE WING

This regulation states the mission, organization, and responsibilities of the 1 Space Wing and implements AFR 23-51.

1. Mission. To provide Command management of:

a. Space Command's worldwide network of assigned missile warning, space, and weather surveillance units, with primary emphasis on training and standardization and evaluation.

b. Peterson Air Force Base, Colorado; Clear Missile Early Warning Station (MEWS), Alaska; and Thule and Sondrestrom Air Bases, Greenland, in support of Space Command and the North American Aerospace Defense Command.

2. Organization. The 1 Space Wing is a HQ USAF controlled unit assigned to HQ Space Command. The Commander of the 1 Space Wing reports to the Commander of Space Command. The organizational structure is shown in attachment 1.

3. Responsibilities. The Commander:

a. Organizes, trains, and administers all assigned personnel to accomplish the mission.

b. Provides administrative and logistical support to assigned and attached personnel.

c. Implements and conducts the standardization and evaluation and training program for subordinate units.

d. Monitors unit operations and performance status and coordinates operational and support issues as required between HQ Space Command and the Wing staff.

e. Accomplishes normal host base support activities for Peterson AFB through the 1 Space Support Group.

f. Manages resources for Peterson AFB as prescribed by HQ USAF and Space Command. Monitors overall management of resources for Thule AB, Sondrestrom AB, and Clear MEWS. Unit resource management, including operations and maintenance (O&M) contract administration is assigned to HQ Space Command.

g. Exercises general and special court-martial jurisdiction over assigned and attached units at the Peterson AFB complex, Thule AB, Sondrestrom AB Greenland, and Woomera AS, Australia.
